

Short Essay Assignment 1: Personal Perspective

Requirements

Upon viewing an image for the first time everyone draws a quick conclusion, almost as a reflex based upon a personal perspective. This personal analysis is based upon past experiences and individual biases.

Write a short essay of approximately 200 words articulating your personal views of the above image. It is recommended that you move beyond simply stating your view, elaborate and explain your personal perspective.

Due Date: February 19, 2014
